

The Enrollment Schedule is very OPEN!

We are here to help you graduate!

Parent/Guardian/Student over 18 who want to enroll a student can call any location (phone numbers on website) to obtain all the enrollment information and any help they need. This will include a packet of information along with a scheduled time for class selection with a Facilitator or an Administrator.

Registration appointments can be made by calling prior to coming to a location.

Walk-in registration will be attended to on a first come basis.

Parent/Guardian and students who have picked up and completed an enrollment packet will have an appointment to meet with a school Facilitator or Administrator.

Appointments will be approximately 40 minutes long and the meeting place will be at the location.

For this meeting, it is very important to bring along as many documents as you have including, proof of residence, immunization records, transcript, report cards and possible classes. Please review the list of documents listed in the enrollment packet.

We look forward to working with you.
